Percentage of children achieving National Expected Standard

	Reading, Writing and Maths Combined	Reading	Writing	Maths	Grammar, Spelling and Punctuation
All	37% (29/79)	38% (30/79)	73% (58/79)	68% (54/79)	70% (55/79)
Non Roma	46% (27/59)	47% (28/59)	86% (51/59)	83% (49/59)	86% (51/59)

Our New to English Roma pupils are included in our outcomes for all pupils. Although they make good progress, most do not achieve the expected standard due to their low academic level on entry and reduced time in education.

**The Academy achieved sufficient progress scores in all three subjects, (RWM), and so has met the Government floor standard for 2016 and 2017.**

### Whetley Value Added Progress Measure between KS1 and KS2 2017

Progress scores will be centred around 0, with most schools within the range of -5 to +5.

- A score of 0 means pupils in this school on average do about as well at KS2 as those with similar prior attainment nationally.
- A positive score means pupils in this school on average do better at KS2 as those with similar prior attainment nationally.
- A negative score means pupils in this school on average do worse at KS2 as those with similar prior attainment nationally. A negative score does not mean that pupils did not make any progress, rather it means they made less progress than other pupils nationally with similar starting points.

NB. Includes all NTE/Roma pupils
