

## Academy Values, Ethos and Vision

### **'We are a community serving the community'**

Our vision is to provide a happy, safe, caring and stimulating environment where children will achieve their fullest potential, so that they can make their best contribution to society.

Whetley Academy is a place where:

**Everybody is welcomed and you are not alone.**

**We understand and respect that everyone is different and has importance.**

**We care for everyone and everything around us.**

**We have high standards of learning and celebrate the achievements of each child.**

**We value the partnership between school, parents and community and the part it plays in realising this vision.**
