

PE and Sports Premium for Primary Schools

Amount of Primary School Sports Grant Received for 2018/19

Primary School Sports Grant	£20,380
------------------------------------	----------------

Proposed PSSG Spending by Item/Project

Item/Project	Cost	Objective	Outcome
Sports Coach	£4500	To provide coaching in a variety of sports and opportunities to compete with other Delta Bradford/Leeds academies To provide specialist coaching to increase engagement of all pupils. To increase participation of pupils in after school clubs and tournaments.	Pupils have competed in the Bradford/Leeds academies festival organised through Sports UK. Staff have increased confidence and skill levels in delivering sport for the future. Children have received specialist coaching in a broad range of sports and an impact has been seen in the amount of children wishing to take part in after school clubs and local competitions. Obesity and overweight percentage decreases particularly in KS2.
Sports Equipment including rewards	£4500	To provide opportunities for pupils to practise their skills in preparation for team sports.	Staff have received training on the use of the equipment. Children confidently use the equipment and use the resources to practise skills in preparation for team sports. Lunchtime Supervisors trained to use sports equipment correctly and encourage all pupils to partake in sport.
After school clubs and participation in local competitions	£5000	To provide increased and enhanced participation opportunities for children through after school clubs.	Children have accessed a wide range of sporting competitions that have enthused and inspired. Pupils have been successful in a range of tournaments and competitions including football, cricket, frisbee, golf, badminton and futsal.
Adventure Residential x2	£3,500	To broaden the experiences of outdoor activities for pupils.	Pupils experience a range of outdoor activities on their residential. This is used to support other areas of the curriculum in particular with writing.

Healthy Cooking Club for pupils and Workshops for parents	£3,000	To teach pupils across school about the importance of a nutritious and balanced diet low in sugar and saturated fat alongside daily exercise.	Children will know what key types of foods make up a nutritious and balanced diet and which foods to eat less of. They will know the sources of key foods and how to prepare some simple dishes.
TOTAL	£20,500		

Meeting National Curriculum requirements for swimming and water safety	
What percentage of your current Year 6 cohort swim competently, confidently and proficiently over a distance of at least 25 metres?	9%
What percentage of your current Year 6 cohort use a range of strokes effectively [for example, front crawl, backstroke and breaststroke]?	7%
What percentage of your current Year 6 cohort perform safe self-rescue in different water-based situations?	9%
Schools can choose to use the Primary PE and Sport Premium to provide additional provision for swimming but this must be for activity over and above the national curriculum requirements. Have you used it in this way?	Yes/No Due to lack of availability at local swimming centres.
